Comprehension

Read the following Passage and answer the questions below:

Deviant behaviour is expected in every society and culture. One of the differences between the twin approaches to it, is how the Takers and the Leavers deal with this problem. Takers deal with deviant behaviour by legislating laws. And deviant behaviour is present among the Leavers too. They deal with it by not by legislating laws, but by working out a pattern which deals with deviance. The legislation of laws tries to punish the wrong doer and thus the fear of punishment deters one from being deviant. But the Leavers have worked out a pattern where the deviant person is not punished but deviance is limited as much as possible.

Comprehension

Read the following Passage and answer the questions below:

Henry VII concentrated on reducing friction at home and abroad, and on establishing a strong financially secure monarchy. He was succeeded in 1509 by his son Henry VIII who married a Spanish Princess Catharine of Aragon. This marriage did not produce a son and so Henry VIII divorced her. This divorce was condemned by the Catholic Church and, gradually, a split developed between the Pope and Henry. Henry died in 1547 and at that time England was still largely, in practice, a catholic country, though the supreme authority of the Pope had been challenged, and many Protestant reformers were eager to spread Protestantism in England.

Question Description

Read the following statements and organise them in their logical sequence with the help of options provided:

- (i) Consequently, a wedge was driven between the Pope and the King.
- (ii) Authority of the Catholic Church was challenged.
